【Agenda 1】

Report by Prof. Atsumi, President of WFSLMS

Prof. Atsumi reported about the inspection tour to Miyazaki which he and some officers from

Japan Society did in September.

He inspected the congress venue of Seagaia, in the city of Miyazaki, the planned facility

where the 2005 Congress of 16th ISLMS and 1st WFSLMS will be held.

The convention facilities and location were wonderful and ideal for such a big international

event, with a main hall with a seating capacity of 3000.

Miyazaki Prefecture will support this congress, and the congress will be organized in alliance

with Japan Society for Laser Medicine & Surgery and WFSLMS.

The schedule of the congress will be at the end of May or the beginning of June, 2005.
